

Skandex 300 [SK300]

PRODUCT INFORMATION

- Up to 35 kg
- Space saving sliding door
- Preset mixing times
- Easy to use
- Robust & reliable

The SK300 is Fast & Fluid's entry model shaker specifically designed for the Asian market. The shaker complies with Asian regulations, but does not have a CE certification.

With its capacity of up to 35 kg it is suitable for all points of sale with a low to medium volume paint turnover. The design of the SK300 is simple and robust. A manual internal sliding door assures valuable floor space is saved. Preset timers (with values of 30, 60 and 150 seconds) guarantee an easy operation.

The SK300: a rugged and reliable product at an economical price.
